

TRI-City CERT (Community Emergency Response Team) for the cities of Gardena, Hawthorne & Lawndale Meeting

This meeting is open to the Community as well as ALL CERT members.

CERT Community Event Training

The City of Gardena is sponsoring an Emergency Preparedness and Safety Fair on Saturday, June 6th, from 9:00 A.M.-3:00 P.M. on the front lawn of Gardena City Hall. TRI-CITY CERT will have three interactive exhibit booths to teach the public about utility safety (gas, water and electrical), fire suppression, emergency preparedness and promoting our organization and CERT training classes.

The CERT Community Event Training will prepare you to teach emergency preparedness skills, interact with the public and provide coverage at one of our CERT booths. As a CERT organization, one of our main goals is community outreach and we need to train as many of our CERT members to help teach community members about emergency preparedness. At the upcoming Emergency Preparedness and Safety Fair, we want to showcase our TRI-CITY CERT organization and how important is to be prepared. WE NEED YOUR HELP and hope you will be able to join us at the CERT Community Event Training session.
