

Work Day

at the

Gardena Willows Wetland Preserve

1200 West 170th Street, Gardena

Saturday, December 19th
8 am to 4 pm

The Preserve is currently being invaded by a small beetle (PSHB) that is killing *MANY* of the trees. We need lots of volunteers to help with removing and disposing of *every* sick tree. Equipment is being donated!

Any amount of time (1/2 hr., 1 – 3 hours etc.) you can give would be greatly appreciated.

Please wear long pants and closed-toed shoes.

We'll provide gloves, water and lunch.
